

Square/Round Flush Back Boxes

EBB-Flush Back Boxes

Enforcer flush mount back boxes are of an all metal welded construction. They are all made from 23 gauge metal and have an acoustic damping material inside. The EBB8RFS is a stackable one piece back box. In addition to being very easy to handle these stackable back boxes take far less room to store and will save you money in shipping costs.

PRODUCT FEATURES

- Available in a no mess finish - much better for handling.
- Acoustic damping on all models.
- Available in a variety of depths to meet installation needs.
- Both torsion as well as standard 4 hole baffle mounting.
- Stackable - saves time plus shipping costs.
