

### FEATURES

- ◆ White metal baffles
- ◆ Incorporates metal welded studs
- ◆ Can be flush mounted

### APPLICATIONS

- ◆ Office Buildings
- ◆ Hotel Lobbies
- ◆ Retail Buildings
- ◆ Restaurants

### DESCRIPTION

The EBB8 series are white metal baffles for mounting 8" ceiling speakers. Both units incorporate metal welded studs for speaker mounting. The ECB8R may be mounted into an EBB8RF back box for flush mount applications.

The ECB8S may be mounted into an EBB8SF for flush mounted application or the EBB8SS for surface mount applications.
